

Reading Champions player profile

Name: Danny Higginbotham

Club: Stoke City

Player information

Danny Higginbotham currently plays defense for Stoke City.

Danny began his career with Manchester United, but was unable to break into the first team. He moved to Derby County in 2000. He made his debut with the team in a 2-2 draw against Southampton. Danny moved to Southampton on loan in 2002, but then joined the team in 2003. In 2006 he joined Stoke City, and after a year-long stint with Sunderland the following season he rejoined his current club.

Player interview

What book would you recommend to fans as a good read?

A Quiet Belief in Angels by R.J. Ellory.

Why did you enjoy it?

I picked up this book almost by chance and was completely surprised by how hooked I became. It's a very dark and haunting story and I honestly couldn't put it down. The book is extremely well written and it really made me think. Some books really stick with you and this is definitely one of those!
