

STORY GAME

This story game provides a fun way for children to explore **Brown Bear, Brown Bear, What Do You See?** by **Bill Martin, Jr.** In order to play children need to be familiar with the book and have heard the story a few times.

Before you play

Everything you need to create the game is included in this pack. Print out the templates for the **game board**, **bingo board**, **question** and **bingo cards**, **spinning dice** and **counters**. Once you have cut these out and laminated them, you are ready to play.

How to play

1. Place the game board in the middle of the group of players along with a pile of **question cards** and a pile of **bingo cards**.
2. Each player needs a **bingo board** and a **counter**.
3. Players take turns to spin the dice and move around the game board.
4. When a player lands on a space square, he or she picks up a question card. If the player answers correctly, he or she takes a **bingo card** and places it on their bingo board. If the player answers incorrectly, he or she does not receive a **bingo card** and play moves on to the next player.
5. When a player lands on a '**free bingo card**' space then he or she can take a **bingo card** without answering a question.
6. The first player to complete their **bingo board** and shout out 'bingo' is the winner.
