

Meet Dorko...

Dorko is not your classic hero. He doesn't have super strength, or super speed. He cannot fly or see through walls. What he DOES have, is an extremely overactive imagination. In Dorko's mind, danger and excitement lie around every tree and bush in the woods opposite his home.

Yet there is something missing from Dorko's life. The one thing he wants more than anything in the whole wide world is a side-kick with which he can share his day-dreaming adventures – after all his current best friend is his (empty) piggy bank!

But knowing Dorko and his wild ideas, his perfect side-kick probably wouldn't even be *human!*
