

The ComiX Factor competition prize: NEO 2 writing tool from Renaissance Learning

Renaissance Learning's **NEO 2** is the ultimate writing tool. Supporting pupils of all ages and abilities, including those with Special Educational Needs, NEO 2 makes both individual and collaborative writing quick and easy, whilst the free **2Know!** and **AccelTest** software greatly enhance its Assessment for Learning functionality.

- **Compact, lightweight and portable** with a full-size keyboard and built-in typing tutor
- **Instant on/off**
- Over **700 hours battery life** from just three standard AA batteries
- Automatically save up to **200 pages of A4 text** across eight files
- **Durable** enough to withstand the rigours of the classroom – including being dropped from a height of up to 1m!
- Enhance **Assessment for Learning** with **FREE 2Know!** and **AccelTest** anonymous voting software
- Support collaborative writing with **FREE NEO Share** software, which is ideal for use with Interactive Whiteboards
- **GoogleDocs** compatibility enables teachers and pupils to share, edit and save work from any location
- Meets **JCQ criteria** for **use in examinations**
- **Accelerated Reader**, **Accelerated Maths** and **MathsFacts in a Flash** Renaissance Learning software compatibility
