

## Create a profile for one of the summer's top sportswomen

While you are on your summer holidays there is going to be a HUGE amount of sport on the TV. It is going to be hard to choose which tournaments and athletes to watch. Today, we would like you to create a profile of the sportswoman that you think is going to be the UK's number one during the summer holidays.

Here are some ideas for sport stars you could choose from:

- **Hannah Cockcroft**, gold prospect at London's World Para Athletics Championships
- England captain for the Women's Rugby Union World Cup, **Sarah Hunter**
- **Ellen White**, England's in-form striker for EURO 2017
- the UK's top female tennis player, **Johanna Konta**, competing at the US Open

Or you can choose someone else. You have to decide who you want to feature. Once you have, we'd like you to write three short paragraphs about your chosen sportswoman.

You'll need to do some research on them. Can you find an interview with them online? Do they have a Wikipedia entry? Some of them may have their own website. What can you find?

Now it's time to write. We suggest three paragraphs.

**Paragraph one.** Find out a bit about their childhood. Where were they born? How old are they? What was their first sports club? Did they have any interesting hobbies?

**Paragraph two.** What are their greatest achievements? Have they won trophies or medals? What is the most notable thing about their career? Their finest hour?

**Paragraph three.** What might they achieve this summer? What do the experts think? Have the sport stars said anything themselves about what they'd like to achieve this summer?

Now all you need to do is find a photograph that you like of your sports hero and place it where the text is.

**Once you're back at school in the autumn, have a look at how your sportswomen got on. Were you right to choose the one you chose?**
